FACILITIES MAINTENANCE AGREEMENT

This Facilities Maintenance Agreement (the Agreement) is made on 3 March 2026 between Ravenglass Property Services Ltd, of 14 Orchard Street, Northbridge NB2 5JD (the Contractor), and Tidewell Logistics Ltd, of Unit 9, Harbour Park, Eastwick EW4 7QA (the Client).

1. Services. The Contractor shall provide planned and reactive maintenance of the building services at the Client's distribution centre at Harbour Park, as described in Schedule 1, including heating, ventilation, lighting, fire alarm and access control systems.

2. Term. The Agreement starts on 1 April 2026 and continues for three years, unless terminated earlier under clause 11. The Client may extend the term by one further year by giving written notice at least three months before the end of the initial term.

3. Standards. The Contractor shall perform the Services with reasonable skill and care, in accordance with good industry practice, the manufacturers' instructions and all applicable laws.

4. RESPONSE TIMES

The Contractor shall attend reactive maintenance requests within the response times below, measured from the time the request is logged on the helpdesk.

Priority	Example	Attend within
1 - Emergency	Fire alarm fault, loss of power	2 hours
2 - Urgent	Heating failure in winter	4 hours
3 - Routine	Faulty light fitting	2 working days
4 - Planned	Minor repairs, adjustments	10 working days

If the Contractor fails to meet a response time more than three times in a calendar month, the Client may deduct five per cent of the monthly charge for that month as a service credit.

5. Reporting. The Contractor shall send the Client a monthly report listing the requests received, the response and completion times, the planned tasks completed and any recommended remedial work.

6. CHARGES AND PAYMENT

The Client shall pay the Contractor a fixed charge of 7,450 pounds per month, exclusive of VAT, for the planned maintenance and for reactive attendance during normal working hours.

Reactive work outside normal working hours is charged at 68 pounds per hour, with a minimum charge of two hours. Materials are charged at cost plus ten per cent.

The Contractor shall invoice monthly in arrears. The Client shall pay each undisputed invoice within thirty days of receipt.

7. Price review. The fixed charge is reviewed on each anniversary of the start date by reference to the change in the consumer prices index over the previous twelve months.

8. PERSONNEL

The Contractor shall appoint a contract manager who will be the Client's main point of contact. The Contractor shall ensure that all engineers are competent, trained and hold the qualifications required for the systems they work on.

The Contractor's personnel shall comply with the Client's site rules, including the rules on vehicle movements in the yard, high-visibility clothing and the signing-in procedure.

9. Health and safety. The Contractor shall provide risk assessments and method statements for all planned tasks and shall obtain a permit to work before any work on live electrical systems, at height above two metres, or involving hot works.

10. INSURANCE AND LIABILITY

The Contractor shall maintain public liability insurance of not less than ten million pounds and employer's liability insurance of not less than five million pounds for each claim.

The total liability of either party under this Agreement in any contract year is limited to one hundred and fifty per cent of the charges paid in that year, except for death or personal injury caused by negligence, or fraud.

11. Termination. Either party may terminate this Agreement by giving the other at least six months' written notice. Either party may terminate this Agreement immediately if the other commits a material breach which is not remedied within thirty days of a written notice.

12. GENERAL

Notices under this Agreement shall be in writing and sent to the addresses given above. This Agreement is governed by the law of England and Wales.
